

The background of the entire advertisement is a photograph of a railway track in a wooded area. A large, thick, grey-brown fallen tree trunk lies across the tracks, which are made of wooden sleepers and gravel. The surrounding area is filled with fallen leaves and other branches, suggesting a storm or high winds. The lighting is somewhat dim, with shadows cast across the scene.

**We can't change the weather.
But it can change your plans.**

**High winds can blow objects onto
the tracks, so sometimes we slow
down trains to get you home safely.**

Check your train is running on time
