

A close-up photograph of a railway track covered in snow. The track is made of dark metal rails and wooden sleepers. The snow is piled up on the sides of the track, and a small black bolt is visible on the right side. The background is a bright, snowy landscape.

**We can't change
the weather.
But it can change
your plans.**

**Snow and ice can build up on
the tracks and result in trains
being delayed or cancelled.**

**Check your train is running on time
nationalrail.co.uk/winter**
