

A greener future one train journey at a time

Choosing the train instead of the car will cut your carbon footprint by up to two thirds. Thank you for taking the train.

Based on emissions from a petrol or diesel car travelling between Glasgow-London vs a train. Full calculation: nationalrail.co.uk/greener.

Cleaner air one train journey at a time

Just one train can take up to 500 cars off the road, improving air quality in our communities.

Thank you for taking the train.

Based on total train seats on a 9-carriage Class 800 divided by the average car/van occupancy rate. Full calculation: **nationalrail.co.uk/greener**.
