

A greener future one train journey at a time

Choosing the train instead of the car will cut your carbon footprint by up to two thirds. **Thank you for taking the train.**

Based on emissions from a petrol or diesel car travelling between Glasgow-London vs a train. Full calculation: **nationalrail.co.uk/greener**.

Cleaner air one train journey at a time

Just one train can take up to 500 cars off the road, improving air quality in our communities. **Thank you for taking the train.**

Based on total train seats on a 9-carriage Class 800 divided by the average car/van occupancy rate. Full calculation: **nationalrail.co.uk/greener**.
